

We are a Startup company that visions to empower your Mynd by providing individual base access to the resources and connecting to mental health experts to overcome mental health stigma.

We are looking for someone passionate about creating content for business development under the leadership of Healing Mynd founders. You will work collaboratively with the CEO to develop and execute business strategy and planning. You will get a unique opportunity to gain experience in various roles (creative, design, marketing, etc.)

### **Responsibilities**

- Ensure brand standards are consistent throughout all digital platforms
- Brainstorming & planning for content creation
- Writing Business development related content
- Help create copy for all marketing materials

### **About you**

- A self-starter who is detail-oriented, organized, and gets the job done
- A team player who enjoys a hard-working and fun environment
- Have written and verbal communication skills
- He/She is highly reliable and able to work a flexible schedule
- Microsoft office knowledge required
- Demonstrate high energy, bring a positive attitude and be willing to help with anything else that needs to be done
- A Mental Health ambassador
- Are you excited about joining an entrepreneurial venture that's empowering society?

Location: Remote, Sometimes in-person meetings with other team
